

Hi, holidays makers,

You are looking for a familial campsite without any pretention.
A real campsite, where you come with your tent or caravan, and where the mobilhome didn't all invade.
You will find calm and shade nearby a fishy river, the Veyzère.
Or you can choose to participate to the numerous entertainments, which noise will not disturb your stay.

The area is full of gastronomic specialities, avens, castles, and memories of prehistoric Cro-Magnon.
Without forgetting of course the Aquarium in Le Bugue and the famous "village du Bournat"

You will be able to loosely give up your child to go to trot you of in love and to visit the prehistoric sites.
He will not be worry about you. He will have fun well better with the camp-site with the organizer and all his buddies.

Offer to him and offer to yourself unforgettable holidays at very reasonable prices (see promotion free week)
I undertake, with my team, to make you forget your usual worries during your stay.

Good guaranteed mood. Grumpy and snobbies to abstain from. You are not welcome.

Exemple of one entertainment week (only in July or August)

	morning	afternoon	evening
Saturday	quizz children	football	olympiades
Sunday	make-up	baby-foot ou billiards	plays of cards
Monday	drawings	play of balls (pétanque)	disco
Tuesday	sand castles	volley-ball	quizz ; soirée muscles and chips
Wednesday	cookings	canoë	karaoke
Thursday	games in the pool	searching play	pétanque by night
Friday	décoration of the bar	table tennis	loto et soirée paëlla

Of course, your own ideas make the programm ! Don't hesitate to give them to us. If you intend to ask for Madonna or Britney, tell me in advance, and envisage "a small" extra charge !

You will bath in the river, or in the 20 x 10 m pool for good swimmers,
or in the 10 x 5 m pool, 50 cm deep only, with waterslide.

See you soon,

Jean-Claude

When you book, 25% of your stay + 15 € administrative charges

The rest at your arrival, pitch or rentings.

On all the camp-sites, or all the travel agencies where you reserve, your down payments are lost if you cancel or stop the stay.

What still adds to the rage not to have been able to go on holiday!

To avoid these nuisances, I propose an insurance cancellation to you, for 8 € only per rented week Full repayment of your down payments without any explanation if we receive your cancellation in WRITING (letter, fax or e.mail) at least 15 days before the date envisaged of your arrival. Or 8 J front with medical certificate.

Less than 8 days before, or for an interruption of stay, only the serious and justified cases will be accepted

and the price of one 1/2 week will be preserved.

YOUR OWN MOBILHOME

the hiring is expensive, it is true. Then why not buy at lower cost your holidays home.

A mobilhome is much less expensive than a house, children (and adults) have fun there much better.

Much less work, for Mister as for Madam.

And the camp-site can rent it when you do not come there in order to pay your annual hiring, or more.
